PLEASE NOTE

The property should be vacant or substantially cleared of personal belongings before the clean begins.

Standard End of Tenancy cleaning does not automatically include professional carpet cleaning, upholstery cleaning, exterior window cleaning, mould treatment, pest treatment, wall washing, rubbish removal or specialist stain removal. These services may be available separately and should be requested when booking.

Heavy build-up, excessive grease, significant limescale or properties requiring additional restoration may require extra time and may affect the final quotation.
